

## Clear Antistatic Cellulose Tape

### Product Description:

A transparent anti static cellophane tape with a natural rubber adhesive. The adhesive system provides excellent adhesion and high tack to a variety of paper grades. Hand tearable and has excellent elongation and tensile strength.

### Application Advantages:

Sealing ESD bags and other ESD containers  
 Heavy duty package sealing  
 Thin and highly conformable

### Physical Properties:

	Typical Values
Total thickness	2 Mil
Backing	35 micron pure cellulose
Adhesive Type	Natural Rubber
Adhesion	34 oz/in
Tensile Strength	24lbs/in
Elongation	22%
Roll Length	36 yards on 3" Core
Color	Clear

### **Part No.**

### **Description**

50-002	1/2" x 36yds
50-004	3/4" x 36yds
50-006	1" x 36yds
50-008	2" x 36yds
